As many of you have already noticed, things have been very quiet around both Abigail's and Vegetarbutikken over the last few weeks. Like so many other companies in Europe at the moment, the constraints of the recession caught up with us. However, things look a lot brighter now and our new catalogue is out and ready for Christmas.

We would like to apologise for any uncertainty and inconvenience caused by this involuntary delay, and at the same time, say thank you for all the strong support we have received.

New orders and orders received in November will be delivered before Christmas.

We wish you all a Merry Christmas and a Happy New Year

However, the time lost has not been totally wasted.

We are introducing a new range of pies and adding a couple of new variations to our list. Lewis Pies are both larger than our previous pies and at a better price. We can now offer a Steak & Ale Pie and a Minced Lamb and Mint Pie.

The Large Sausage Rolls have also grown from 8" to 10".

We have also added three old favourites to the chocolates line. Who doesn't remember the famous Fry's chocolate bars?

Choose between, Chocolate Cream, Orange Cream and Mint Cream.
